## **KWVA STANDARD PROCEDURE MANUAL (SPM)**

### **Introduction**

#### **SECTION 1.0 KOREAN WAR VETERANS ASSOCIATION, INC.**

##### **1.1 PURPOSE**

**1.1.1** The procedures outlined in this Standard Procedure Manual, or SPM, have been derived from experience with previous methods used by officials in the performance of their duties as staff members of the Korean War Veterans Association, Inc. These procedures have been developed to assist new officials, as well as the incumbents, to more efficiently perform their duties, and to assure compliance to the KWVA Bylaws. In addition, specific corporate, charter, and Public Law 110-254 requirements create special requirements for administration and accountability on the Association. This manual is intended to ensure that the Association, given its unique situation, is correct and accountable in all respects (Further discussion of accountability is at 3.9 GENERAL). Issuance of and changes to the SPM are authorized by KWVA, Inc. Bylaws; Article III, Officers and Powers; Section 1. Powers and Duties; F. Board of Directors.

**1.1.2** Some SPM procedures are designed to communicate proper and ethical procedures for use in conducting the Association's business by Officers, Directors, Standing Committee Chairpersons, Special Committee Chairpersons and members of the Korean War Veterans Association, Inc.

**1.1.3** Some SPM procedures are designed for use by the membership, chapters and departments, for use in their interface with the Association officers, both elected and appointed, in processes such as applications for membership and petitions, and reporting.

**1.1.5** The procedures in this manual are intended to provide clarification; to fill in the detail of areas prescribed in the Bylaws that require action, and for the use of applicable forms. All SPM procedures derive their authority from the Bylaws, and shall not be in conflict with them.

##### **1.2 INTENT AND INTERPRETATION**

**1.2.1** These procedures do not change the original intent of the Bylaws and may not be used to circumvent the Bylaws. When in doubt as to the proper course of action to take, the Judge Advocate of the Association should be consulted.

**1.2.2** When applicable, reference to source material is placed in the SPM, as and where appropriate.

**1.2.3** When more detailed instructions are deemed necessary to clarify a procedure, or to give direction to a particular bylaw, reference is made to the specific bylaw concerned.

##### **1.3 SPM CHANGE METHOD**

This SPM, which is for guidance of the Board and other KWVA Officials, and the Membership as appropriate (Please refer to 1.1 Purpose, above), may be recommended for revision only by a Board or KWVA Staff person who is responsible for the specific area or procedure being addressed.

**1.4 CONFIGURATION CONTROL OF THE SPM** Procedures for revision(s) to this Standard Procedure Manual, refer to SPM Procedure 3.1.3, "Configuration Control of the SPM."

**1.4.1** Recommended changes are to be presented in writing to the Bylaws Committee Chairman. If there is no conflict with the Bylaws, the Chairman will accept and sign the change request.

**1.4.2** The recommended change(s) shall then be presented to the Board by the responsible director as an Action Item at the next Board Meeting, or with a "Business Without A Meeting", as appropriate.

### SECTION 3.0 KOREAN WAR VETERANS ASSOCIATION, INC. PROCEDURES

#### 3.1 ASSOCIATION RULES (Reference KWVA Bylaws Article VIII, Amendments And Resolutions)

**PURPOSE** The purpose of these procedures is to provide any Regular Member in Good Standing (Reference SPM Procedure 3.8.6) with the means to obtain change(s) to either the procedures in this Manual (See 3.1.1, below), or the KWVA Bylaws (See 3.1.2, below). **B. Changes to the Bylaws** Using SPM Form 4.11-1 and its instructions, the change request must be submitted directly to the Bylaws Committee, at least forty-five (45) days prior to a called Board meeting where, if approved by the Bylaws Committee, it will be brought before the Board, and if approved, will be subsequently presented to the membership for ratification.

Should a conflict-of-interest be suspected the individual shall so state to the Board and then refrain from participation in any decision making on the matter. Any member of the KWVA, Inc. shall refrain from obtaining any list of the membership without authorization from the Board.

**3.8.8 Just Cause - Considerations - To File or Not?** Should a member believe that a complaint is warranted, proper, and in order, it might still be reasonable to hesitate before filing it. Is the offense egregious and serious enough? Will an ultimate substantiation of the complaint and warranted actions/sanctions benefit the Association?

## **PROCEDURES**

**NOTE:** The procedures listed below are in their normal sequential order; consequently it is recommended that the procedural 'steps' within them be performed in their listed sequence.

**3.8.9 Filing The Complaint** Any Association member in Good Standing may submit a justified, substantive complaint to the Association Judge Advocate.

### **STEP**

- 1.** The complaint must be in its original, written form, signed and dated by the Complainant, and sent via "*USPS Certified Return Receipt Requested*" to the Judge Advocate. Using an email to file a complaint is not acceptable.
- 2.** A member's complaint shall be kept Confidential by the Complainant; by witnesses or members contacted in regards to the case, and the Judge Advocate before and after being sent to the Judge Advocate. **Any violation of this Confidentiality by any party shall in itself be deemed just cause for discipline.**
- 3.** The Judge Advocate (JA) shall maintain an event log of complaints received, recording the sequence of events in the Complaint Process, using SPM Form 4.13 of this Manual. The Judge Advocate shall acknowledge and answer queries from the President as to the status, that status being where the process is, in the sequence of events. No confidential information should be asked for, and none should be given. The log should be available for review by the Board of Directors, when in Executive Session.

**3.8.10 Complaint Review** The Judge Advocate shall acknowledge receipt of the complaint and determine if the nature of the complaint is appropriate for referral to the Chairman of the Ethics and Grievance Committee. Should he/she find the complaint in order, and appropriate for referral, he/she shall send it directly to the Chairman, E&G Committee. Should he/she find the complaint to be beneath the threshold for E&G Committee referral, the Judge Advocate will return the complaint to the originator as a dismissal and the matter ends.

**3.8.10.1** Prior to referral to the E&G Committee, the Judge Advocate may, if he/she elects to do so, consult with a JA Associate for a review of the complaint. There are two (2) JA Associates, appointed by the KWVA President, for this purpose only. The Judge Advocate shall retain his/her sole authority through the entire E&G Process.

### **STEP**

- 1.** A complaint received via means other than "*USPS Certified Mail, Return Receipt Requested*", will not be accepted by the Judge Advocate.
- 2.** Any correspondence with the complainant by the Judge Advocate shall be in

**KOREAN WAR VETERANS ASSOCIATION, INC.**  
**STANDARD PROCEDURE MANUAL (SPM-005 R009)**

writing via "USPS Certified Mail, Return Receipt Requested".

**3.8.11 Committee Investigation** The committee is an investigative body; it is NOT a disciplinary body. The power to discipline members resides with the Board as provided in the Bylaws. Rules of conduct for the E&G Committee are:

**STEP**

- 1.** The committee shall investigate only those complaints assigned by the Judge Advocate.
- 2.** The committee shall not initiate actions or investigate matters without such an assignment. In the event that an E&G Committee member receives an ethics or grievance complaint directly, the Chairman shall return it, along with a letter to the complainant, to inform him/her that the complaint must be resubmitted in letter form, and mailed to the Judge Advocate for review and possible assignment to the Chairman of the E&G Committee as noted above.
- 3.** The committee shall conduct its work in a fair, impartial, ethical, timely and confidential manner.
- 4.** The committee shall make no Bylaws judgments, limiting their procedures and reports to a strict evaluation of the facts relative to the complaint.
- 5.** In the case of complaint cases forwarded by the Judge Advocate to the Chairman, E&G Committee, the committee shall assume unfettered jurisdiction and apply its procedures and processes.
- 6.** The Board shall strictly adhere to the rule, established previously by the Board, that: "A refusal by an individual to respond, within 15 days, to a written request by the E&G Committee for information pertaining to an alleged charge, shall result in a presumption of validity in favor of the charge."
- 7.** A bad faith refusal to cooperate with an E&G Committee request for information serves to thwart the system at the threshold, undermining the credibility of the process. Therefore, any such refusal will not be tolerated, and may, in itself, constitute an independent ground for disciplinary action or expulsion.
- 8.** The committee should use "USPS Certified Mail, Return Receipt Requested" to elicit responses from a Complainant.
- 9.** The use of electronic mail, email or FAX to elicit third party responses will be avoided, or used sparingly, with discretion, and only when confidentiality can be assured by both the Complainant and the E&G Committee.
- 10.** Letters and electronic mail should be labeled CONFIDENTIAL FOR ADDRESSEE ONLY.

**3.8.12 Committee Confidential Report**

Upon completion of the investigation, a *Report of Investigation*, including findings and recommendations, as appropriate, shall be prepared by the Chairman, E&G Committee, and forwarded to the Judge Advocate, together with the complaint as received.

**STEP**

- 1.** Each finding in the report shall be recommended as: Sustained, Not Sustained, Unfounded, or Exonerated.
- 2.** Should the Judge Advocate receive any Sustained finding for discipline in the report, he/she shall forward the *Report of Investigation* together with the Complaint as received, to the President, who shall schedule it for the next available Board meeting, as specified in SPM Section 3.9.6, Special Meetings.
- 3.** Should further action be recommended/necessary/indicated, in the opinion of the Judge Advocate, he/she shall forward the *Report of Investigation* together with the Complaint as received, to the President for scheduling at the next available Board meeting.

**Note 1:** In either of Steps 2 and 3, above, if circumstances indicate urgency, the President shall provide for immediate Board action by any of the means available under the

Bylaws.

**Note 2:** In no case shall copies of "Board E&G Business documents" be provided to Non-Board members. Direct control of all E&G documents must be maintained - these documents are to be handed out and viewed by the Board **in person** at the called Board Meeting, and are not to be mailed or electronically distributed to Board Members ahead of the called meeting.

**4.** If the *Report of Investigation* received by the Judge Advocate from the Chairman, E&G Committee indicates no further action is required, the Judge Advocate shall complete the case by reference and in correspondence with the originator. **Notwithstanding, all the matters shall remain confidential by all parties involved in the action.**

**5.** All deliberations and votes of the committee shall be sealed, and remain so, unless called for by other actions authorized by the Bylaws and a two-thirds (2/3) vote of a quorum of the Board.

### **3.8.13 Judge Advocate Quarterly Report**

The Judge Advocate is to prepare a report, using SPM Form 4.13-2, based on the receipt, investigation and disposition of all complaints received; said report to be submitted to the President and the Board of Directors on a quarterly basis on a date to coincide with the regular Board of Directors and Annual Association Meetings. Since all complaints are to be kept confidential, the report will be a summary only within the Ethics and Grievance process.

**GENERAL** The history of the KWVA is outlined in 1.5.1 of this manual. The historical progression indicates stature and status gained through the increasing trust and interest first by the veterans community, then, subsequent to reunions and organizing, by members, incorporating public agencies, and finally, enacted in law by the Congress of the United States (Public Law 110-254). Responsibility, accountability and liability ensued as trust was thus sought and granted to the KWVA.

The KWVA as a national veterans association is unique among major U.S. Veterans Service Organizations (VSOs) in that no paid fulltime national staff exists or ever has existed. With the exceptions of membership administration and the official magazine and website, all the functions normal to a paid professional staff, numbering from 100 to 700, are expected to be met by the officers, Board, and volunteers throughout the Association.

This unique situation in no way diminishes the legal and financial responsibility, accountability, and liability leveled on all 501(c)(19) organizations, in addition to the requirements of Public Law 110-254. Therefore, a particular concern with accountability requires close and structured care and attention to how the Board and KWVA conducts its affairs as an association with 24/7/365 functions, operations, and responsibilities administered by unpaid volunteers.

**PURPOSE** The purpose of this procedure section is establish accountability by describing, defining the process for properly conducting KWVA business in a structured and accountable manner. The Board formulates policies and supervises their execution, and has the control and management of the affairs, property and funds of the Association.

**MEETING CRITERIA** The Association Board shall consist of **fourteen (14) fifteen (15) members**, being the President, First Vice President, Second Vice President, Secretary, Treasurer, **an Executive Director** and nine (9) Directors.

**KOREAN WAR VETERANS ASSOCIATION, INC.**  
**STANDARD PROCEDURE MANUAL (SPM-005 R009)**  
Bylaw Committee Revisions Approved October 27, 2020

The Board shall formulate policies and supervise the execution thereof and have the control and management of the affairs, property and funds of the Association. Fulfilling these functions requires Board meetings and training, and the effective coordinated formulation of policies and knowledgeable oversight of the execution thereof.

The Board shall have at least two (2), scheduled meetings between Annual Association Meetings, the second (or last) during the days immediately preceding the Annual Association Membership business meeting.

All Scheduled Board Meetings shall be considered portal to portal return; with scheduled travel days, scheduled meeting days, and in the case of the meeting occurring immediately preceding the Annual Membership Meeting, includes attendance at the said Association meeting, and return travel.

**DESCRIPTION** The unique situation of the Association (3.9 GENERAL, above) dictates that many otherwise routine matters must be finally assessed and decided by meetings of the Board, Committees, and the Membership as a whole. The planning, conduct, attendance, and records of meeting thus become more important than might usually be afforded in strictly social and fraternal situations. The procedures herein are for the preparation, scheduling and implementation of the following meetings:

- **KWVA Annual Board Business Meeting** Scheduled on the day immediately preceding the Annual Membership Meeting. Should additional business remain after the scheduled session, Roberts Rules concerning recess will be applied so that all pending business is accomplished during the duration of the scheduled day, the Annual Meeting day(s), and immediate day(s) following. This is necessary in order to avoid additional travel costs. Meeting agenda items submitted per procedure 3.9.8, below are considered. In addition, locations and dates for the following year's scheduled meetings are determined and voted on, to be submitted to the Membership for ratification, at their meeting.
- **KWVA Annual Membership Meeting** (See 3.9.5, below).
- **Other scheduled Board Business Meetings** The Board shall have at least two (2), scheduled meetings between Annual Association Meetings, the second (or last) during the days immediately preceding the Annual Association Membership business meeting. ## SPM FORM 4.7-6

### Why Chapters and Departments Should Incorporate

Incorporating is a legal device through which KWVA chapters and departments can conduct business as recognized legal citizens in the community. As an invisible, intangible entity, a corporation cannot vote or be issued a drivers license. But the corporation can make contracts, conduct business, sue and be sued like any other citizen. Incorporating, then, is the easiest and most logical business form for KWVA chapters and departments. The process of incorporating entails the preparation of certain documents, including a document referred to as the "Articles of Incorporation," and filing the documents with the Secretary of State.

The list below shows the primary advantages of incorporation and the risks involved in operating an unincorporated business.

- **Shield chapter and department officers from liability**  
The most important reason to incorporate a chapter or department is to protect its officers from business liabilities. If a chapter or department operates as an unincorporated business, its creditors may be able to reach the personal assets of its officers and members. Assets such as an officer's personal residence and personal bank account can be used to pay business debts or to satisfy a lawsuit against the chapter or department. By incorporating, business creditors cannot reach an officer's personal assets.
- **Establish perpetual existence and transfer of ownership**  
Perpetual existence is an advantageous aspect of an incorporated business. Perpetual existence means that the life and continuation of the business will not be affected by the withdrawal or death of one of the owners. An unincorporated business's existence, as well as its operation, is generally disrupted by the withdrawal or death of one of the owners. Subtract this risk from your business by incorporating.
- **Enhance the image of the chapter or department**  
Another essential reason to incorporate a chapter or department is that it adds credibility to its operation. The perception of a business is improved by its incorporation and use of "Inc.," following the name of the organization. Other organizations are more likely to trust and deal with a chapter or department that has this positive image. More importantly, the chapter or department will be more attractive to banks if and when the chapter or department seeks outside financing.
- **Improve the ability to manage**  
The decision-making authority of an incorporated chapter or department is centralized, which usually means that the members have vested the authority in a Board of Directors. The Board of Directors can delegate this authority to the company's officers. In an unincorporated chapter or department, the power structure and decision-making authority may not be defined and may be subject to manipulation by certain members. This lack of structure will substantially affect the ability of the chapter or department to operate. Subtract this risk from chapters and departments by incorporating and thereby centralizing the management structure.

## SPM FORM 4.10-1 Resolution Request

### PREPARATION PROCESS

1. Some of the many purposes which a resolution to the Board might address are as follows:
  - To demand the enforcement of an existing policy (Bylaw);
  - To acknowledge or reward activities of members
  - To promote the change of operational procedures (SPM) of the Association.
2. Cover just one (1) subject per resolution.
3. Research the purpose by gathering documentation to support the proposed Resolution.
4. Draft the Resolution with a Preamble, so called because it precedes the Resolving Clause(s). Each preamble paragraph will state a separate reason and will be preceded by the word "WHEREAS."
5. The Resolving Clause, so called because it begins with the words "RESOLVED THAT;" states who will do what.
6. The number of "WHEREAS" and "RESOLVED THAT" do not determine how good a Resolution is. The perceived purpose and action to be taken are what is important. Too much information or hearsay will clutter a well-meaning Resolution presentation.

This letter has been sent to tell you the Board has [approved/rejected] your Bylaws Change.

The Bylaws Committee recommended that the Board [approve/reject] your Bylaws Change. In the case of the Board approving the requested change there is no need of an explanation of why, but a 'THANKS' for their request is given again.

**NOTE TO COMMITTEE CHAIRMAN:** If the Bylaws change was rejected and the Bylaws Committee recommended rejection, the reason should be added to the letter as to why it recommended rejection or why the Board rejected the requested change over the recommendation to approve by the committee.

**MEETING HOTEL/MOTEL CHECK LIST**

1. During the planning stage, contact the Convention and Visitors Bureau (CBA) in the city in question. Have them send you one of their brochures of Attractions, Hotels, Rail, Bus and Airline information.
2. Once a city or area is decided on, send the CBA a request for proposal (RFP) stating the month, number of possible attendees and ask for information on the following:
  - a. When is the off-season and off-peak period for the Hotel/Motel?
  - b. What number of rooms must be blocked to receive free welcome party, free newspapers, free parking, free hospitality room, free upgrades of rooms, early check-in and late check-out privileges or other complimentary perks.
  - c. What Banquet Facilities are available? Are menus available to choose from? Are prices available per plate, when must the selection be firmed up. Who is the contact?
  - d. Is a Hospitality Room available? Can the KWVA provide its own refreshments at no charge? Are tables and chairs available in the room as well as serving tables? Is ice furnished and how often and when? Can Liquors, Wine and/or Beer be served without a Hotel/Motel bartender? What other restrictions are there?
  - e. What meeting facilities are available for a Board meeting, a Memorial Service and also a Membership meeting area? What sound equipment is furnished? Does the Hotel/Motel have its own audio-visual equipment or is it contracted from an outside source?
  - f. Be sure the room charges are "all-inclusive" except for taxes and know the tax rate. Have all furnished items listed in b. above mentioned in the contract and a contact person designated from the Hotel/Motel for questions and answers during the meeting time.
  - g. Be sure there is a cancellation clause that covers the Hotel and the KWVA that is specific. If a free breakfast is included, be sure to state so in the contract. Be sure the room for meetings, hospitality, memorial service and banquet are named.
  - h. Make sure that a registration area is located in a conspicuous spot and a table and some chairs are available. Again remember anything not mentioned in the signed contract can be changed, charged for or not furnished.
  - i. Locate an area to order those items needed for refreshments, and a business office for copies and printing. If the Hotel/Motel has no audio-visual equipment, locate a supplier and find the prices and setup fees for various items.
  - j. Arrange for a visit to the site selected to make sure it is proper for the meeting. Ask what the CVB will provide in the way of give away gifts such as pencils, name tags, bags, brochures and/or discount tickets to attractions. Is there shuttle service to and from the airport, train or bus stations and at what cost?

**ANNUAL ASSOCIATION MEMBERSHIP MEETING HOSPITALITY ROOM**

*This Form explains the considerations for the setup of the Hospitality Room, and the Tables of Usage as shown in Form 4.12-3, Pages 1 and 2.*

The Tables were established by the Host of the 2003 Annual Membership Meeting, Hospitality Room.

Purchases of the items were not done at one time, but were inventoried and replaced each morning. The last column to the right shows how much was consumed per registered guest. It is based on a total of 776 registered guests. By simple math and knowing the consumption per registration one can figure the total amount needed. It is expected that the individual or committee in charge will have an estimated head count on the number of people who will attend a couple of weeks before the event.

It has been recommended that all future Annual Membership Meetings host a hospitality room. The cost for this room should be added to the registration fee. A cost of \$5 - \$6 per registered guest, should be adequate.

It did not matter what kind of beer was served as long as there was both light and regular. The light went better. Non-alcoholic beer was the least preferred, but some should be made available for those who wish it.

It has been recommended that 1.75 liter bottles be used in the Hospitality Room, but for Banquets use 750 ml bottles on the tables. It was recommended that Cabernet (red), Sauvignon (white) and White Zinfandel (pink) be available.

Soft drinks should be purchased in either 2 or 3 liter bottles. Since they come in plastic bottles it takes more ice to cool in a cup.

Meat and other refrigerated food is a problem which must be set out on trays. It must be refrigerated or used to keep down spoilage. It is better to have to purchase just before trays become empty than to have any spoil waiting to be served or between times the room is open.

Wal-Mart or Sams have popcorn; chips, pretzels and paper goods. It is recommended that 9 or 10 inch rigid plates be used. Large plastic tubs may be necessary to use for ice. Ice may be arranged for through the hotel to be placed in the tubs or they may furnish their own tubs. This should be coordinated early with the hotel when a Hospitality Room site is asked for.

Most important of all, the Hotel should be asked in advance if it will be OK for a Hospitality Room to be operated by the KWVA and what cost, if any, will it be. Further arrangements for ice, refrigeration storage, tables, chairs and setup tables must be decided upon. This may be done by the host chapter, department or individual located in the Annual Membership Meeting Area.

No information is yet available for mixed drink usage; however this must also be settled with the hotel for in some cases a bartender is required because of liability problems. Once done this data will be added to the Usage Tables.

**Caution must be used to assure that everything is in writing as to what can or cannot be done.**
