STANDARD PROCEDURE MANUAL**

1. PURPOSE:

- A. The procedures outlined in this Standard Procedure Manual (SPM) have been derived from experience with previous methods used by officials in the performance of their duties as staff members of the Korean War Veterans Association, Inc. These procedures have been developed to assist new officials, as well as the incumbents, to more efficiently perform their duties, and to assure compliance to the KWVA Bylaws. Issuance of and changes to the SPM are authorized by KWVA, Inc. Bylaws; Article III, Officers and Powers; Section 1. Powers and Duties; F. Board of Directors.**
- B. SPM procedures are designed to communicate proper and ethical procedures to use in conducting the Association's business to Officers, Directors, Standing Committee Chairpersons, Special Committee Chairpersons and members of the Korean War Veterans Association, Inc.**
- C. The procedures are intended to provide clarification; to fill in the detail of areas prescribed in the Bylaws that require action, and for the use of forms that are not covered specifically in the Bylaws.**

2. PROCEDURE CHANGE METHOD:

- A. This SPM, which is for guidance of Board of Directors and other KWVA Officials, will be recommended for revision only by a Board of Director, or KWVA Staff Member who is responsible for the specific area or procedure being addressed. Recommended changes are to be presented in writing to the Bylaws Committee Chairman. If there is no conflict with the Bylaws the Chairman will sign the change. The recommended change(s) may be presented to the Board of Directors by the responsible Director as an Action Item at the next Board Meeting, or as Business Without a Meeting.**

3. CONFIGURATION CONTROL:

Specific procedural steps for the initial issue and subsequent configuration control are covered in detail in Addendum S-1 in the Addenda Section of this Manual. These steps include, but are not limited to:

- A. Assignment of SPM Number of SPM-001, Rev. R001 as approved by the Board of Directors on 10/10/2006. This reflected the SPM's official first change, completely rewritten from the original document approved by the Board of Directors on 7/25/2004.**
- B. Incorporation of SPM-002 R002 approved on 5/5/2007 & SPM-003 R003, approved on 7/25/2007.**
- C. Identification of subsequent change(s), and/or addition(s), by a unique Revision and SPM-Number.**

Each subsequent change package will be placed on the KWVA Website page for the SPM, and have a Revision number with information about the change. The complete updated, current SPM in effect will be available for downloading or printing, as will be the individual updated Title page and Revised pages.

4. INTENT AND INTERPRETATION:

- A. These procedures do not change the original intent of the Bylaws and may not be used to circumvent the Bylaws. When in doubt as to the proper course of action to take, the Judge Advocate of the Association should be consulted.**
- B. To make cross-referencing easier, there is an additional index of these procedures, keyed to the Bylaws, Table of Contents. [Please see SPM pages 4 & 5].**
- C. When more detailed instructions are deemed necessary to clarify or to give direction to a particular Bylaw, references are made to Addenda noted on Addenda Pages of this Manual.**

To complete task assigned and report results to the Board of Directors or Association Membership, depending on the group that initiated action.

1. ETHICS & GRIEVANCE COMMITTEE

a. PURPOSE

The Ethics and Grievance Committee (E & G Committee) is a special committee appointed by the President to investigate complaints filed against Officers, Directors, or Members.

b. COMPLAINT

Any member may submit a justified substantive complaint to the Judge Advocate, Korean War Veterans Association. The complaint must be in written form, signed by the complainant, and sent via *Certified Return Receipt Requested US Mail* to the Judge Advocate. Complaints and/or grievances should not be sent directly to the members of the E&G Committee. A member's complaint must be kept Confidential by the Complainant and the Judge Advocate before and after being sent to the Judge Advocate.

c. JUDGE ADVOCATE RESPONSIBILITIES

The Judge Advocate shall acknowledge receipt of the complaint and determine if the nature of the complaint is appropriate for referral to the Chairman of the Ethics and Grievance Committee. Should he find the complaint in order, and appropriate for referral, he shall send it directly to the Chairman, E&G Committee. Should he find the complaint to be beneath the threshold for E&G Committee referral, the Judge Advocate will return the complaint to the originator as a dismissal and the matter ends.

A complaint received via means other than "*Certified Mail, Return Receipt Requested*", will not be accepted.

Any correspondence with the complainant by the Judge Advocate shall be in writing via "*certified mail, return receipt requested*"

d. COMMITTEE RESPONSIBILITIES

The Committee is an investigative body; it is NOT a disciplinary body. The power to discipline members resides with the Board of Directors as required by the Bylaws.

The Committee shall investigate only those complaints assigned by the Judge Advocate.

The Committee shall not initiate actions or investigate matters without such an assignment. In the event that an E & G Committee Member receives an ethics or grievance complaint directly, the Chairman shall return it, along with a letter to the complainant, to inform him or her that the complaint must be resubmitted in letter form, and mailed to the Judge Advocate for review and possible assignment to the Chairman of the E & G Committee as noted in paragraph b. above.

The Committee shall conduct its work in a fair, impartial, ethical, timely and confidential manner. The Committee shall make no Bylaws judgments.

e. CONDUCT OF INVESTIGATION

In the case of complaint cases forwarded by the Judge Advocate to the Chairman, E&G Committee, the Committee shall assume unfettered jurisdiction and apply its procedures and processes.

The Board of Directors shall strictly adhere to the rule, established previously by the Board, that a refusal by an individual to respond, within 15 days, to a written request by the E & G Committee for information pertaining to an alleged charge, shall result in a presumption of validity in favor of the charge.

A bad faith refusal to cooperate with an E & G Committee request for information serves to thwart the system at the threshold, undermining the credibility of the process. Therefore, any such refusal will not be tolerated, and may, in itself, constitute an independent ground for disciplinary action or expulsion.

The Committee should use the U. S. Mail to elicit responses from a complainant.

The use of electronic mail, E-mail or FAX to elicit third party responses should be avoided, or used sparingly, with discretion, and only when confidentiality can be assured by both the complainant and the E & G Committee.

All letters and electronic mail should be labeled CONFIDENTIAL FOR ADDRESSEE ONLY.

f. CONFIDENTIAL REPORT

Upon completion of the investigation, a *Report of Investigation*, including findings and recommendations, as appropriate, shall be prepared by the Chairman, E&G Committee, and forwarded to the Judge Advocate.

Each finding in the report shall be recommended as: Sustained, Not Sustained, Unfounded, or Exonerated.

Should further action be recommended/necessary/indicated, in the opinion of the Judge Advocate, he shall forward the *Report of Investigation* to the President for scheduling at the next Board meeting. If circumstances indicate urgency, the President shall provide for immediate Board action by one of the means available under the Bylaws.

If the *Report of Investigation* received by the Judge Advocate from the Chairman, E&G Committee indicates no further action is required, the Judge Advocate shall complete the case by reference and in correspondence with the originator.

All deliberations and votes of the Committee shall be sealed, and remain so, unless called for by other actions authorized by the Bylaws and a two-thirds (2/3) vote of a quorum of the Board of Directors.

g. LETTER OF CONDITIONS

The member who has been admonished, reprimanded, suspended or placed on probation, shall receive the conditions, established by the Board of Directors, with his letter from the President/Judge Advocate.

MEETING HOTEL/MOTEL CHECK LIST

- 1. During the planning stage, contact the Convention & Visitors Bureau (CBA) in the city in question. Have them send you one of their brochures of Attractions, Hotels, Rail, Bus and Airline information.**
- 2. Once a city or area is decided on, send the CBA a request for proposal (RFP) stating the month, number of possible attendees and ask for information on the following:**
 - a. When is the off-season and off-peak period for the Hotel/Motel?**
 - b. What number of rooms must be blocked to receive free welcome party, free newspapers, free parking, free hospitality room, free upgrades of rooms, early check-in and late check-out privileges or other complimentary perks.**
 - c. What Banquet Facilities are available? Are menus available to choose from? Are prices available per plate, when must the selection be firmed up. Who is the contact?**
 - d. Is a Hospitality Room available? Can the KWVA provide its own refreshments at no charge? Are tables and chairs available in the room as well as serving tables? Is ice furnished and how often and when? Can Liquors, Wine and/or Beer be served without a Hotel/Motel bartender? What other restrictions are there?**
 - e. What meeting facilities are available for a Board of Directors Meeting, a Memorial Service and also a Membership Meeting area? What sound equipment is furnished? Does the Hotel/Motel have its own audio-visual equipment or is it contracted from an outside source?**
 - f. Be sure the room charges are "all-inclusive" except for taxes and know the tax rate. Have all furnished items listed in b. above mentioned in the contract and a contact person designated from the Hotel/Motel for questions and answers during the meeting time.**
 - g. Be sure there is a cancellation clause that covers the Hotel and the KWVA that is specific. If a free breakfast is included, be sure to state so in the contract. Be sure the room for meetings, hospitality, memorial service and banquet are named.**
 - h. Make sure that a registration area is located in a conspicuous spot and a table and some chairs are available. Again remember anything not mentioned in the signed contract can be changed, charged for or not furnished.**
 - i. Locate an area to order those items needed for refreshments, and a business office for copies and printing. If the Hotel/Motel has no audio-visual equipment locate a supplier and find the prices and setup fees for various items.**
 - j. Arrange for a visit to the site selected to make sure it is proper for the meeting. Ask what the CVB will provide in the way of give away gifts such as pencils, name tags, bags, brochures and/or discount tickets to attractions. Is there shuttle service to and from the airport, train or bus stations and at what cost?**

ADDENDUM H-2

ANNUAL ASSOCIATION MEMBERSHIP MEETING HOSPITALITY ROOM

This Addendum is an explanation for the Addendum H-3, pages 1 - 3, of the Table of Usage. The Tables were established by the Host of the 2003 National Membership Meeting, Hospitality Room.

Purchase of the items were not done at one time, but were inventoried and replaced each morning. The last column to the right shows how much was consumed per registered guest. It is based on a total of 776 registered guests. By simple math and knowing the consumption per registration one can figure the total amount needed. It is expected that the individual or committee in charge will have an estimated head count on the number of people who will attend a couple of weeks before the event.

It has been recommended that all future reunions host a hospitality room. The cost for this room should be added to the registration fee. A cost of \$5 - \$6 per registered guest, should be adequate.

It did not matter what kind of beer was served as long as there was both light and regular. The light went better. Non-alcoholic beer was the least preferred, but some should be made available for those who wish it.

It has been recommended that 1.75 liter bottles be used in the Hospitality Room, but for Banquets use 750 ml bottles on the tables. It was recommended that Cabernet (red), Sauvignon (white) and White Zinfandel (pink) be available.

Soft drinks should be purchased in either 2 or 3 liter bottles. Since they come in plastic bottles it takes more ice to cool in a cup.

Meat and other refrigerated food is a problem which must be set out on trays. It must be refrigerated or used to keep down spoilage. It is better to have to purchase just before trays become empty than to have any spoil waiting to be served or between times the room is open.

Wal-Mart or Sam's have popcorn, chips, pretzels and paper goods. It is recommended that 9 or 10 inch rigid plates be used. Large plastic tubs may be necessary to use for ice. Ice may be arranged for through the hotel to be placed in the tubs or they may furnish their own tubs. This should be coordinated early with the hotel when a Hospitality Room site is asked for.

Most important of all, the Hotel should be asked in advance if it will be OK for a Hospitality Room to be operated by the KWVA and what cost, if any, will it be. Further arrangements for ice, refrigeration storage, tables, chairs and setup tables must be decided upon. This may be done by the Hosts Chapters, State Department or individual located in the Annual Membership Meeting Area.

No information is yet available for mixed drink usage, however this must also be settled with the hotel for in some cases a bartender is required because of liability problems. Once done this data will be added to the Usage Tables.

Caution must be used to insure that everything is in writing as to what can or cannot be done.

ADDENDUM N-3

CHAPTER/DEPARTMENT CHARTER PROCEDURE

Chapter and Department organizing activities take place by various means: Membership Committee Representative, write-ins from at-large-members and from established Chapters and Departments. Chapter and Departments require a Charter to be accepted into the Korean War Veterans Association.

To obtain a Charter the following procedure is required:

1. An Approved Petition Form must be presented to those wanting to form a Chapter by the Department by the state where the Chapter will be formed. In the case where there is no Department, the Membership Committee Chairman will act as the conveyor of the Petition. The Membership Chairman will arrange to supply the Petition Form.
2. If there is a Chapter in the area, the Membership Chairman may designate an individual from that Chapter or a Membership Committee Member to act as a focal point to help in the new Chapter/Department formation.
3. If a Department exists, the petition when completed is sent to the Department which will relay the petition to the Membership Administrative Assistant, along with any funds for new memberships required. If no Department exists, the Membership Chairman will send the Petition to the Membership Administrative Assistant.
4. The Membership Administrative Assistant will verify that the Petition contains the required charter information, at least twelve (12) national members in the case of a Chapter or at least four Chapters in the case of a Department. A check is made to assure that all members are current in their membership in the KWVA. The members will be entered into the membership records and assigned the CID# of the Chapter being formed. The Petition is then forwarded to the National Secretary.
5. The Secretary will prepare the Charter and forward it to the National President for the final approval signature.
6. The National President will forward the Chapter Charter to the Department President for presentation to the Chapter. If there is no Department, the National President will arrange for suitable presentation to the Chapter.
7. The National President will arrange for suitable presentation of a Department Charter.
8. When the new Chapter/Department develops its Bylaws and/or prepares its Incorporation Application, according to the State Incorporation laws, it will forward them to the Judge Advocate for review and approval.
9. The Judge Advocate will return the approved documents to the Chapter/Department and send a copy of both to the National Secretary.

Note: If any questions arise in this organizational process relating to Bylaws, the Judge Advocate should be consulted.

ADDENDUM R-1

RESOLUTIONS/BYLAWS CHANGES

Resolutions are a formal means of presenting ideas for consideration (a motion) to the Board of Directors. Thus a Resolution is a motion in a form to help organize points in clear writing, along with the clear action plan to be followed. Resolutions written in the same style and form will help expedite the Board of Directors meetings. A Resolution is presented to the KWVA Resolutions Committee Chairman for the Resolutions Committee to determine and recommend to the Board of Directors, a course of action and why the course has been selected, to either approve, disapprove or to postpone or pass on to another committee for further consideration. The Resolution must be submitted at least forty-five (45) days prior to a called Board of Directors meeting where it will be brought before the Board of Directors. A Resolution to change the Bylaws must be sent to the Bylaws Committee Chairman, not the Resolutions Committee Chairman, at least forty-five (45) days prior to a called Board of Directors meeting, to insure it reaches the Bylaws Committee in time for the Bylaws Committee to form its recommendation to the Board of Directors.

Each Resolution must be signed, and National Member Number included, by at least two Regular Members of the Korean War Veterans Association, Inc. In the case of a Department or Chapter, a letter of endorsement must accompany such Resolution with the signature and/or signatures of the President or Chapter Representatives including their National Member Number and stating their authority to do so.

Each Resolution received by either the Resolutions Committee or Bylaws Committee Chairman shall be given a number beginning with year received, date received and number: Example 2000-6/12-01.

A letter will be sent by the Committee Chairman for each Resolution submitted, stating its arrival and acceptance or rejection and expected presentation to the Board of Directors. Once the Resolution has been accepted or rejected by the Board of Directors the Committee Chairman will so notify those who submitted the Resolution of the results. See SAMPLE Letter, Addendum R-3. The Resolution results shall be included in the next published minutes of the Board of Directors and the Secretary shall place the Resolution and results with the minutes file.

Preparation Process:

1. Some of the many purposes which a resolution to the Board of Directors might address are as follows. Establishment of a specific policy, to demand the enforcement of an existing policy; to acknowledge or reward activities of members or to promote the change of bylaws and operational procedures of the Association.
2. Cover just one subject.
3. Research the purpose by gathering documentation to support the proposed Resolution.
4. Draft the Resolution with a Preamble, so called because it precedes the Resolving Clause(s). Each preamble paragraph will state a separate reason and will be preceded by the word "WHEREAS".
5. The Resolving Clause, so called because it begins with the words "RESOLVED THAT"; states who will do what.
6. The number of "WHEREAS" and "RESOLVED THAT" do not determine how good a Resolution is. The perceived purpose and action to be taken are what is important. Too much information or hearsay will clutter a well-meaning Resolution presentation.

BYLAWS RESOLUTION**

WHEREAS: In its rejection of Resolution R7/27/04-01 to change the Korean War Veterans Association, Inc. (KWVA) Bylaws, ARTICLE X, ELECTIONS, Section 2, Board of Directors, the Board of Directors expressed the feeling that they had the right to replace any elected Board Member; and

WHEREAS: Members of the Board are elected by the Board of Directors, but a vacancy on the Board for other than recall is currently filled by the Board itself; therefore

BE IT RESOLVED: That the KWVA Bylaws, ARTICLE X, ELECTIONS, Section 2 Board of Directors, paragraph 3, second sentence be amended to read: “Vacancies on the Board of Directors other than those by a recall removal shall be filled nominated and approved, by a majority vote of the Board of Directors remaining members of the Board of Directors for the election unexpired term at the next Board of Directors meeting.”

2. **CHANGES**

The Website SPM Change Page shall have each change made using a Revision Number, followed by the procedure changed, including the pages effected, the reason for the change, and the date of approval by the Board of Directors.

Example: *R005, page (32) and Appendix E-1 page (45) were changed when a requirement to include a new date for elections was approved by the Board of Directors on 1/25/06. The changes now match a Bylaws date change. SPM-005 has this change included.*
